## FIPS World Congress XXIII, Val Thorens, 23-30 April 2022

### Congress Information

The XXIII FIPS Congress is being organised by FIPS in collaboration with the Val Thorens ski area

The Congress cost includes accommodation, meals, ski pass, airport transport from Lyon-Saint Exupéry airport on the 23<sup>rd</sup> of April and 30<sup>th</sup> April and the Wednesday visit to Mountain Planet in Grenoble

Adult ski/snowboard hire for six days is available at an extra cost

A deposit of 30% of the Congress fee must be paid at time of registration (before 8 December 21) and the remainder by 15 February 2022

FIPS has booked for a nominal 50 delegates. If more than 50 bookings are received by 8 December and the remainder of the hotel is fully booked with other guests, then FIPS bookings will be allocated on basis of the date the booking deposit is received

If there are less than 50 delegates registered by 8 December or if there is serious deterioration in the Covid19 situation then the Congress will be postponed until April 2023 at the same cost and full refund of deposits, less any card payment fees will be available, or the deposit can be applied against the planned 2023 Congress

You can travel to Lyon via plane or take the TGV high speed train. It takes 2 Hours for 550km from Paris. If you arrive by car the Congress cost is the same as parking at Val Thorens is not free

Be aware all people in France must be double vaccinated to enter hotels, restaurants or ride lifts; this includes Congress delegates

Late bookings will be accepted after 8 December on the basis that accommodation is available, and the minimum registration requirement has been met

The program for the Congress will be released over the coming weeks with an opening ceremony, the visit to Grenoble on the Wednesday and closing dinner. The FIPS Medical Special Interest Group has been developing their specific program over the last 18 months. If you have any program topics you would like considered please email the FIPS Secretary

For queries regarding the Congress please contact JEAN-LOUIS TUAILLON at <mailto:jeanlouis.tuailloon@orange.fr>
