

Dear friend,
 less than 3 weeks to the XX FIPS World Congress – FIPS2016.....
 We should be 190 people in Passo Tonale!!

VERY IMPORTANT

It is absolutely necessary to have the information on your arrival and departure times, including your flight number, and how you will get to Passo Tonale. Only few of delegates have sent us the information required to organize transfers to and from Orio al Serio Airport (BGY). Without these necessary information we may not be able to provide the service. Please urgently complete the attached form (only if you have not already done it).

AIRPORT

Milano (Bergamo) Orio al Serio Airport is the nearest to Passo Tonale. Milano Malpensa is the main airport and hub of northern Italy: there is a shuttle bus to Bergamo Orio al Serio (not included). We are thinking to arrange organization assistant to help FIPS guests. Milano Linate Airport has not really easy connections to Bergamo Orio al Serio

The Organizing Committee is providing an assistance at Milan Malpensa Airport (MPX) for Saturday, April 2 (and may be at Linate). Our agent, recognizable and identifiable with the colors and logos of the Congress, will be present in the international arrivals area.

He/she will welcome you and help you in case of problems. He/she will take you to the terminal of the shuttle to

Bergamo Orio Al Serio Airport (BGY) and will help you to purchase your tickets. We will inform you shortly about more detailed timetable and means of transport.

TRANSFER TO PASSO TONALE

Organization will provide transfers from/to Airport Bergamo Orio al Serio and Tonale on Saturday 2 and on Saturday 9. We are thinking to arrange one bus directly from Milano Malpensa.

SECRETARY

The Congress Secretary is located at the “Centro Servizi” where there is the Congress Center, on the main road of Passo Tonale , a short distance from all the hotels we reserved . It will be easily recognized with the logos and banners of the Congress. Came to the Secretariat for the registration procedure and to know your hotel . The office will be open from April 1th .

All the guests will be hosted at Passo Tonale (Brescia), very close to the Congress Center.

The hotel will be:
